LANGUAGE SKILLS

English - Upper intermediate (B2)

German - Elementary (A2)

OTHER KNOWLEDGE

Java - advanced

SQL - advanced

MySQL - advanced

C++ - basic

XML - basic

OTHER KNOWLEDGE, SKILLS AND INTERESTS

I am a kind of student who likes to learn something new and I am determined to new knowledge and experience. I enjoy spending my free time by doing programming. I am developing plugins for Minecraft game for almost four years throughout Java language, where I often use SQL language. I really enjoy programming and I would offer my help to any beginner who needs it. I have learned Java and SQL by myself. I also appreciate team work, if I am in a good and skilled team. Besides programming, I also like to watch news in IT sphere and technologies.
